ARTE DE AMERICA HISPANA

A celebration of local Hispanic Art in America

The art, language and unique cultures of native homelands is thriving and growing in communities across the U.S.A. This annual competition for local artists showcases the interpretation of rich and diverse Hispanic heritages in U.S. communities.

Local artists are invited to submit one piece of flat art that illustrates how Hispanic heritage lives in their U.S. community. The competition is open to any and all artists who currently live, or whose families live in this local community.

All works of art will be reviewed by an esteemed panel of judges who will select three finalists who will each receive a cash prize.

The top winning artist will receive a prize of \$3000!

- The winning piece of art will be featured on the cover of the next local edition of Directorio en Español.
- Information about the piece and the artist will be featured in the community pages of the directories.
- High quality, limited edition commemorative posters featuring the winning art will be produced and displayed across the community.
- A concerted local PR and media campaign will promote the competition, culminating in a high profile event and awards ceremony, officially recognizing the winners and showcasing all entries.

For details on how to enter, please visit our website at www.hypnetwork.com or call our local office.
